

Tenant Selection for Residences on 6th

The Peachland Seniors' Support Society Board of Directors has appointed a Tenant Selection Committee made up of some members of the Board, as well as some members of the community. Community members were chosen on the basis of their work with, and understanding of, the challenges faced by seniors. The identity of the members of the Selection Committee will not be made public. Each member of the Selection Committee will sign a Confidentiality Agreement, committing to not revealing any personal or confidential information they deal with.

The Selection Committee will be scoring all eligible applicants on a list of criteria. Priority will be given to applicants based on need for housing (health, financial, family, imminently homeless, etc.). Peachland residents, and residents who have moved away and are looking to return can be considered for prioritization subject to ability to achieve unit occupancy requirements.

The deadline for applications for this initial intake will be August 31st. Applications received after August 31st will be considered for inclusion on the wait list.

The Selection Committee will begin its work in early September. Once decisions are made on tenant selection, applicants will be notified. If an application is initially unsuccessful, the applicant may have their name placed on the wait list (if qualified).

Project completion/move in is currently slated for February, 2019.
