

**PEACHLAND**  
SENIORS' SUPPORT  
SOCIETY

## October 2018 Update

The Peachland Seniors' Support Society Tenant Selection Committee is hard at work evaluating over 150 applications for housing for the Residences on 6<sup>th</sup>. The Committee expects to complete their work by the end of October, barring any unforeseen circumstances.

All applicants will be advised by telephone whether they have been selected for a housing unit or not. Those applicants who are selected will be required to participate in an interview, before a final decision is made. Interviews will be conducted during the second half of October, and likely also into November. If applicants are not initially selected, they may be placed on a waiting list, providing they are eligible.

Although the move in dates have not yet been completely finalized, we are expecting to see tenants move in from the beginning of February, and into the early part of March. As soon as the possession date is confirmed from the construction contractor, firm dates can be assigned to tenants.

The foregoing will be updated as new information becomes available.
