

Communities in Bloom Committee

The Communities in Bloom Committee meets on a regular basis. Driven by a love of the community, the committee has presented the concept of People, Plants and Price to citizens, service clubs, associations, community groups, churches, the Boys and Girls Club, Brownies and Guides, Peachland Elementary School, Chamber of Commerce, and many more. These groups in turn have supported the mandate of Communities in Bloom throughout the District of Peachland.

The committee shares with the community the celebration of Peachland's Centennial. The amalgamation of civic and community pride can be seen throughout the community and along Peachland's 11 km of foreshore.

2009
