

# Green Citizen Award Peachland 2021

The Mayor's Task Force on Climate Change will assist Peachland Council to recognize citizens who protect and restore our natural environment. The 'Green Citizen Award' will be given to Peachland citizens that choose to live and/or work in ways that save energy and water resources and reduce our environmental footprint.

## To help your nominee win Peachland's Green Citizen Award...

1. Identify a Peachland resident or family, organization or business
2. Provide contact details of your nominee
3. Write specific examples here ✓ which...
  - Describe your nominee's activities and contributions
  - Explain why your nominee is a good 'green' role model
  - Help everyone understand why your nominee should win!
4. Complete this Nomination Form by **March 5th, 2021** and send, or take it to ...the District Planning Office at 5806, Beach Ave. Peachland.
5. The award will be presented at Peachland's Civic Awards.

✓ I think he/she / they should win because.....

Attach another sheet of paper if you need more space.

Research has shown that all the categories below have an impact on our 'environmental footprint'. Choosing actions that are more climate-friendly will help us conserve natural resources, cost less money, make our families healthier and our communities more resilient.

Category	Does your nominee....	 Yes No Unsure
Energy Use	Switch off lights or electrical equipment when not in use?	
	Use LED lights in their home or business?	
	Follow energy audit recommendations to ensure home or business efficiency?	
	Heat or cool their home or business with solar power?	
Water Use	Irrigate their gardens between dusk and dawn only.	
	Garden with low-water plants with less lawn areas to reduce water usage?	
	Capture rain water in a cistern / barrel for use in their gardens?	
Transport	Walk, use a bicycle, or public transport instead of a car at least x 3 weekly?	
	Live without a car, or has a hybrid or electric vehicle?	
Food	Eat a plant-based (non-meat) meal more than twice per week?	
	Grow and /or preserve many of their own fruits and vegetables?	
	Purchase organic /seasonal produce at local farmers markets?	
Community	Participate in local environmental events e.g. stream clean-up, tree-planting etc.?	
	Is a member of a 'green' organization e.g. Sierra Club, David Suzuki Foundation etc.?	

Thank you for your participation
