Message from the Director:

The word we have heard many times over the course of this year is “unprecedented”. COVID-19 has impacted us worldwide and challenged us to reimagine how we work, connect and recreate. It has challenged us to explore new things and be mindful of our own personal safety like never before. While the Community Centre was closed, we saw an unprecedented number of people getting active in our parks and on our trails. It is a reminder that, in challenging times, we crave activity, nature and social connectivity.

It has been a challenging time for us all, but we have been committed to continue to deliver community services and creatively come up with opportunities for our participants and our community to live a new normal. The benefit of a small town is that great ideas can come together quickly! Canada Day was a huge success with our pop-up neighbourhood concerts rolling through our community. This would not have been possible without the valuable partnership of both the Chamber of Commerce and the Peachland Fire Department. For me — it was a career highlight! Seeing friends and neighbours come together to celebrate differently, to dance in the street, to embrace the 15 minutes we had to offer — it truly was a day of community pride. Canada Day has inspired my team to continue to create, and I hope that our reimagined events for Halloween and Christmas will have similar community impact.

The Community Centre is open and we have many programs running. We have pandemic control plans for all our programs, and I hope you and your family will try something new like Karate (p. 5 & 10) or Guitar (p. 5 & 8) or maybe some of our longtime favorites like yoga (p. 9) or Zumba (p. 10). We also have an opportunity for friends and family to partner together for Natural Soap Making (p. 8) or Indian Head Massage (p. 9). The success of these programs is dependent upon your participation. I hope we will see you here.

Cheryl Wiebe, Director of Community Services

Interested in Serving our Community?

Lions are a group of volunteers with good moral character and reputation within our community. We are members of Lions Clubs International, founded in 1917 and is now the world’s largest service club organization with over 1.4 million members in 190 countries.

We maintain an active schedule of events in our community and are very much a “Hands-On” club volunteering our time throughout the year.

We are always happy to have new members come out and join the crew. The Peachland Lions can afford you the opportunity to give back to the community and make new friends in the process. Aside from community involvement we are also a very socially active club.
