I hereby apply for permission to construct, use and maintain access works within the right-of-way of a public highway in accordance with the particulars, plan and specifications submitted herewith. I understand the submission of this form constitutes an application only and the works may not be commenced unless and until permission is received . In the case of an access already installed, but not covered by a driveway access permit, this application is still required in order to authorize use of same.

CONDITION TO DRIVEWAY ACCESS PERMIT

Please note that all conditions and regulations outlined in Bylaws #1231, 1956, and 2100 and other related bylaws apply. Following, are summarized conditions that are applicable.

1. Driveway must be hard surfaced.
2. Maximum of one (1) driveway / access per frontage. Any additional driveways must be removed.
3. Residential lots shall provide two (2) off-street parking spaces on private property.
4. Minimum of one (1) meter from transformers, junction boxes, hydrants, poles, streetlights, street signs and community mailboxes.
5. Minimum six (6) meters from intersection (local road) or ten (10) meters (collector road).
6. On corner lots, driveway shall be no closer than seven (7) meters from closest lot corner nearest intersection.
7. Minimum one (1) meter from nearest lot corner (neighbour).
8. Minimum length of driveway = six (6) meters.
9. Driveway shall be entirely located in front of the subject lot frontage.
10. Turn-around facilities are to be provided for any dead-end driveways greater than 45 meters long.
11. Permit applicant - property owner will be responsible to maintain their driveway.
12. The District will not be liable from damages / repairs resulting from an inadequately / poorly designed drainage system on private property. Discharge and disposal of run-off collected in a driveway (from onsite and public roadways) will be the owner's responsibility. Any debris or damage to roadway will be repaired / cleared at owner's expense.
13. Allow for snow plows and emergency vehicles. The District will not be liable for damage.

NOTES
