Council Meeting Highlights

SPECIAL COUNCIL MEETING

Rise & Report Peachland Protective Services Building

Mayor Patrick Van Minsel Rose & Reported on behalf of Council the following resolution made earlier during an in-camera meeting:

The District of Peachland needs additional land adjacent to the corner of San Clemente Avenue and 13th Street to construct the Peachland Protective Services Building to a standard that will meet the future needs of the community.

The District is in communication with the Peachland Baptist Church to discuss purchasing its 4204 Lake Avenue property with an option that would fully support Peachland Baptist Church by professionally relocating its building to a nearby site.

Council wholeheartedly believes that a mutually beneficial solution will be achieved and has directed the District to support the relocation of the Peachland Baptist Church, a deeply valued institution that has been part of the community for over 100 years.
