Abatement Contractors' Checklist

After you have **safely removed asbestos** from a house or building, you must provide the owner or developer with a **written confirmation letter** stating that the asbestos identified in the **hazardous materials survey** and **notice of project** has been removed.

The written confirmation letter must include the following:

☐ Date the confirmation letter was issued

a Date the commination letter was issued
☐ Address of the asbestos removal project
☐ Name of the asbestos contractor who performed the removal
 Description of the scope of work that was performed (for example, what was removed and when)
☐ Reference to the hazardous material survey (name of the surveyor or company and when the survey was conducted)
☐ Reference to the WorkSafeBC Notice of Project number
☐ Name of the consultant or person who performed the final visual inspection
☐ Name of the consultant or contractor who collected the air clearance sample
☐ A statement indicating the asbestos removal was conducted in accordance with regulator requirements (both the Occupational Health and Safety Regulation and the BC Ministry of Environment regulations)
☐ Proof of waste disposal (waste manifest)
□ Name of the consultant or contractor who issued the written confirmation letter
