Note 'B' OBGC & Our Space - 100% exempt. The building is occupied approximately 44% for the OBGC and 56% for Our Space as estimated in Schedule 'B' attached hereto and forming part of this bylaw.

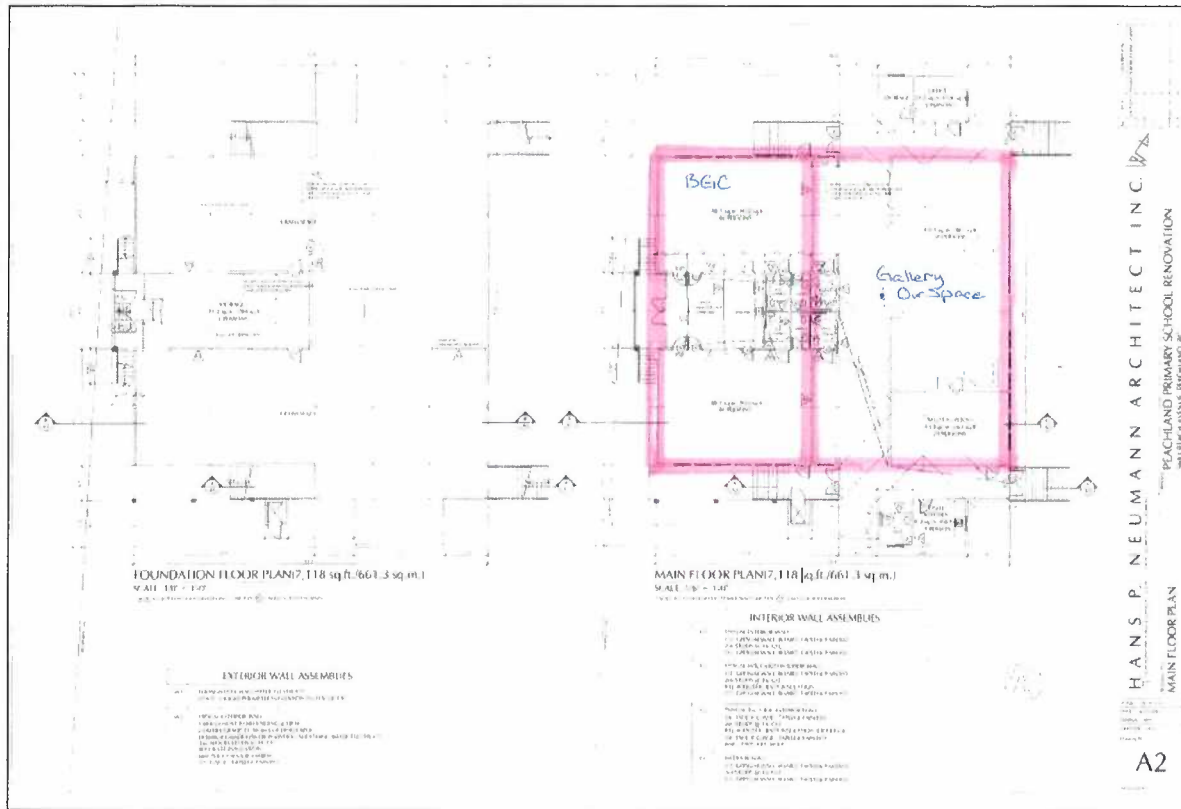

Note 'C' Bible Camp - Exempt 100% of the improvement value less assessed value of the residential premises and garage described as buildings A and B in Schedule 'C' attached hereto and forming part of this bylaw. Exempt 100% of Land less 1% for footprint of residence & garage. Taxable portion of land, value of Residence & Garage, as provided annually by BC Assessment.

Note 'D' Library - Assessment value for the area occupied by the Okanagan Regional Library in the Peachland Village Mall as provided annually by BC Assessment.

Note 'E' Chamber of Commerce - 56.36% of Class 6 land and improvement value of the commercial area described in Schedule 'D' attached hereto and forming part of this bylaw. This property exemption is valued by BC Assessment using the income approach. BC Assessment applies income potential of the exempt area (2,203 sq ft) not a percentage of the assessed value. The rental rates applied to street front space is higher than rear space, resulting in more value attributed to those units. As a result, the percent of area exempt does not necessarily reflect the same percentage of assessed value. The value exempted will vary year to year depending on what the market will pay for lease space.
