6. Notwithstanding that a Person may hold a Inter-Community Business Licence that would make it unnecessary to obtain a Municipal Business Licence in other Participating Municipalities, the Person must still comply with all other regulations of any Municipal Business Licence bylaw or regulation in addition to any other bylaws that may apply within any jurisdiction in which the Person carries on Business.
7. A Business that operates a Mobile Business may only apply for a Inter-Community Business Licence from the Participating Municipality in which they maintain a Premises.

provide the other Participating Municipalities with a list of Inter-Community Business Licences that it has issued during the calendar year.

12. A Participating Municipality may exercise the authority of the Principal Municipality and suspend a Inter-Community Business Licence in relation to conduct by the holder within the Participating Municipality which would give rise to the power to suspend a business licence under the *Community Charter* or the business licence or regulation bylaw of the Participating Municipality. The suspension shall be in effect throughout all of the Participating Municipalities and it shall be unlawful for the holder to carry on the Business authorized by the Inter-Community Business Licence in any Participating Municipality for the period of the suspension.
13. If the Council of a Participating Municipality is of the opinion that reasonable cause exists to cancel a Inter-Community Business Licence issued by another of the Participating Municipalities, then it may by resolution reciting the details of such reasonable cause request the Principal Municipality that issued the licence to consider whether or not the licence should be cancelled pursuant to Sections 15 or Section 60(2) of the *Community Charter* and amendments thereto.
14. Any resolution made under Section 13 shall be communicated in writing to the Principal Municipality that issued the Inter-Community Business Licence, together with such documentary evidence of the reasonable cause as may be available, and such Principal Municipality shall as soon thereafter as reasonably possible consider whether the Inter-Community Business Licence should be cancelled.
15. In making any decision as to whether to cancel a Inter-Community Business Licence under Section 14 or Section 60(2) of the *Community Charter* and amendments thereto, the Principal Municipality shall approach the matter as if the conduct complained of had occurred within its own boundaries.
16. The Principal Municipality will retain the authority to hear related reconsiderations or appeals of suspensions and cancellations of Inter-Community Business Licences.
17. Nothing in this Bylaw affects the authority of a Participating Municipality to suspend or cancel any business license issued by that municipality or to enact regulations in respect of any class of Business under Section 15 of the *Community Charter* or amendments thereto.
18. A Participating Municipality may, by notice in writing to each of the other Participating Municipalities, withdraw from the Inter-Community Business Licence scheme established by this Bylaw, and notice must:
