## Key Job Duties:

- Diagnosing, servicing, repairing and replacing major and minor mechanical equipment
- Preventative maintenance check programs
- Perform a variety of welding and fabrication work
- Perform minor autobody repairs
- Organize, order and maintain mechanical parts and supplies and service records
- Working in all types of weather
- Performing heavy physical work
- Other duties as required

## Qualifications

- High School Diploma
- Valid BC Class 5 Driver's License
- Current and valid BC certificate of trades qualification in Heavy Duty or Commercial Transport Mechanic
- Motor Vehicle Branch Inspection License
- Welding experience and certification is an asset
- Fire Department equipment maintenance experience
- Related Microsoft Office experience using Outlook, Excel and Word

This is a CUPE Local 608 position with an hourly rate of \$43.78 and a benefits package in accordance with the CUPE contract.

The closing date for this position is October 24, 2025, by 4:00 pm or until a suitable candidate is found. Applications for the available position must be received prior to the indicated closing date and time.
