

DISTRICT OF PEACHLAND
PARK RENTAL PERMITS

Gatherings of larger than 20 people* on District property require a Park Rental Permit. Renters will have priority to the amenities of the park, however the park cannot be closed to the public unless exclusive use, by way of a Special Event Permit, is approved by the Director of Community Services. Weddings and other private functions are not eligible for exclusive use.

**With the exception of Cousins Park ball field. Due to the high demand for ball field space, a Park Rental Permit is always required for affiliated sports teams or exclusive use.*

Guidelines:

- Event notification signage will be posted at the park by District staff prior to your event, however parks and public spaces cannot be used exclusively. Amenities are priority assets for renters and include picnic tables, ball diamond/bleachers, Rotary Centennial Pavilion/Square and Ray Kandola Heritage Pier (1/3 must be left available for public use).
- Tents must be weighted. Staking is not permitted.
- Tying to infrastructure or trees is not permitted
- Portable propane barbeques or fire pits (CSA/ULC certified) are acceptable but must be kept a minimum of 1 metre away from nearest structure. During high risk fire season, BBQ use may be restricted.
- Food must only be served to event attendees. Food service to the public is not permitted unless approved by way of a special event application and related permits.
- Food trucks, inflatable play structures and/or amplified music is not permitted unless approved by way of a special event application
- Alcohol is permitted only in conjunction with a Special Event Permit and related permits
- Smoking is permitted in designated areas only
