3. Interpretation

- .1 Words used in the present tense include the other tenses and derivative forms;
 - .1 Words used in the singular include the plural and vice versa; and
 - .2 The word "person" includes a corporation, firm, partnership, trusts, and other similar entities as well as an individual.
- .2 Words have the same meaning whether they are capitalized or not.
- .3 The words "shall" and "is" require mandatory compliance.
- .4 For the purpose of this Bylaw, the words "includes" and "including" shall be interpreted to mean "includes or including among other things, but not limited to".
- .5 The phrase "used for" includes "arranged for", "designed for", "maintained for", or "occupied for".
- .6 Words, phrases, and terms neither defined in this section nor in the *Local Government Act*, *Interpretation Act* or *Community Charter* shall be given their usual and customary meaning.
- .7 All dimensions and other measurements in this bylaw are expressed in the Standard International Units (Metric) system. Imperial measurement conversions are for convenience only, and do not form part of the Bylaw.
- .8 In the event of any inconsistency between the text of this bylaw and any figure or illustration, the text shall govern.
- .9 Any reference to any section in this bylaw, or to another bylaw, shall include any and all amendments to that bylaw.
- .10 Any reference to a zone is to a class of zones as set out in the District Zoning Bylaw, as amended from time to time. Zones in the Zoning Bylaw may be added, removed, or changed at any time and will supersede any reference to any zone in this bylaw.

4. Definitions

All words or phrases used in this bylaw have their usual or common meaning unless specifically defined by the *Local Government Act*, the *Interpretation Act*, or the *Community Charter*, or by the definitions set forth in this section as follows:

 - .2 Multiple signs are proposed in a Comprehensive Development;
 - .3 Where the marketing of new residential development is proposed a sign plan will be required;
 - .4 If a sign plan is approved, no sign shall be constructed or maintained which is contrary to the sign plan;
 - .5 The District may approve a sign that is part of a sign plan that may not otherwise meet specific regulations, provided that:
 - .1 The proposed signs are suitable for the site in which they are located;
 - .2 The proposed signs are designed to be fully compatible with the existing or proposed buildings to which they are accessory;
 - .3 The overall area of the signs does not exceed the total area allowed for individual signs on the site; and

- .4 The Sign Plan produces visual harmony.

8. Issuance of Permit

- .1 The Bylaw Enforcement Officer shall issue the permit for which an application is made where:
 - .1 The proposed sign conforms to this bylaw and all other applicable Bylaws of the District;
 - .2 The applicant has paid to the District the fee prescribed by this Bylaw;
 - .3 The Applicant for a permit has agreed:
 - .1 To indemnify and save harmless the District of Peachland, its employees and agents, from and against all, claims, demands, loss, costs, damages, actions, suits; or other proceedings in any way related to anything done or omitted to be done by the applicant in connection with a sign or a permit issued pursuant to this Bylaw; and has executed an indemnity agreement in the form attached as Schedule "A";
 - .2 To have the District of Peachland added as additionally insured to the applicant's liability insurance policy by execution of the endorsement for insurance policy in the form prescribed by the Director of Planning and Development Services.
- .2 The permit shall expire if the work or activity authorized is not completed within a period of ninety (90) days from the date of the issuance of the permit, unless the permit is a sign plan and associated with a Development Permit.
- .3 The Bylaw Enforcement Officer may require that as a condition of the issuance of any permit that all drawings, specifications; or any part thereof be prepared and sealed by a professional engineer registered in the province of British Columbia:
 - .1 That the construction be carried out under the supervision of a Professional Engineer registered with the Province of British Columbia; and
 - .2 A letter from a Professional Engineer registered in the Province of British Columbia, undertaking to supervise the work or any part thereof authorized by a permit issued pursuant to this Bylaw.
- .4 In addition to the Sign Permit, the connection of an electrical sign shall be authorized by a permit issued by the Electrical Safety Branch of the Province of British Columbia.

9. Permit Fees

Permit fees shall be as follows:

- .1 Every applicant for a permit under this Bylaw shall pay to the District the sum of Thirty-Five Dollars (\$35.00) for every sign included in the permit except:
 - .1 For portable signs, the fee for a portable sign shall be Ten Dollars (\$10.00) for every such sign;
 - .2 If a sign plan is required by the District the permit charges will apply to each sign within the sign plan as presented.
- .2 A permit fee is not refundable if work authorized by the permit is not commenced.

- .3 In the event that the construction, alteration, painting, maintaining, moving or other establishment of a sign has been commenced without a permit having previously been obtained, the fee for obtaining such permit shall be:
 - .1 Seventy Dollars (\$70.00) per sign except;
 - .1 In the case of a portable sign for which the fee shall be Twenty Dollars (\$20.00) unless a permit is not required by this Bylaw for a sign;
 - .2 If a sign plan is required by the District the permit charges will apply to each sign within the sign plan as presented.
- .4 The following operations shall not be considered as erecting a sign and will not require a permit, provided the sign is in conformity with this Bylaw and other Bylaws of the District:
 - .1 Changing of advertising copy of message on an existing approved sign, provided the sign is specifically designed for use as a changeable copy sign;
 - .2 Painting, repainting, cleaning or other normal maintenance and repair of a sign provided there is no structural change or any change in the advertised message;
 - .3 The replacement of sign faces as required because of breakage or deterioration, but not for the substitution of a new or different advertiser or advertisement.

10. Signs Not Requiring a Permit

- .1 A permit is not required for the erection, construction, alteration, painting, maintaining, moving or other establishment of the following signs:
 - .1 Traffic control signs as defined in the Motor Vehicle Act, subject to the provisions of that Act;
 - .2 Signs required to be maintained or posted by law or government order, rule or regulation;
 - .3 Memorial plaques, cornerstones, historical tablets and the like;
 - .4 On-site direction signs, not exceeding 1.0m² (10.7ft²) in area, intended to facilitate the movement of pedestrians and vehicles within the site upon which such signs are located;
 - .5 No trespassing, no dumping, no shooting and beware of dog signs not exceeding 0.2m² (2.2ft²) in area;
 - .6 Temporary signs pertaining to events of recognized civic, philanthropic, educational or religious organizations, or advertising special events for community causes and charitable fund-raising campaigns;

 - .11 Temporary construction signs indicating the name and nature of a construction or demolition project, including the names of the contractors or sub-contractors, the entity providing the finances and professional advisors;
 - .12 Signs advertising farm produce for sale; and
 - .13 Window signs.
- .2 Signs set out in this section are permitted in any zone.

11. Regulating Signs Not Requiring a Permit

- .1 All signs designated in section 9 as not requiring a permit, require that a name, phone number and the date of when the sign was posted be made visible for the purpose of Bylaw enforcement.
- .2 Temporary signs pertaining to events of recognized civic, philanthropic, educational or religious organizations shall not be posted more than thirty (30) days prior to the event and shall be removed not later than four (4) days after the event;
- .3 Political campaign signs on behalf of candidates for public office or referenda on election ballots shall be removed within four (4) days following the election.
- .4 Temporary signs advertising special events for community causes and charitable fund-raising campaigns may be permitted to the public right-of-way and shall be of such size and design and posted at such locations for such periods as determined by the Bylaw Enforcement Officer.
- .5 The area of temporary construction signs shall not exceed 3.0m² (32.3ft²) in residential and rural zones and 6.0m² (64.6ft²) in all other zones;
 - .1 One (1) temporary construction sign is permitted for each fronting street and the display of such signs shall be limited to a period not to exceed the duration of the construction or demolition project.
- .6 Signs advertising farm produce for sale shall, except when permitted in this Bylaw, be located only upon the lot to which the sign refers and shall not be larger than 3.0m² (32.3ft²) in area and shall not be illuminated.
 - .1 The sign shall remain for only the period of time for which the agricultural product is available;
 - .2 The sign may be placed erected or installed on a lot other than the lot on which the product is available for sale.
- .7 Window signs in commercial and industrial zones shall not exceed 25 percent of the window area, or 0.3m² (3.2ft²) per metre frontage of the premises occupied, whichever is the least.
- .8 Window signs which advertise "closing out sales" or special events are not restricted to the 25 percent of window area.

12. Responsibility of Owner

- .1 The Owner of the sign shall be jointly and severally responsible to:

- .1 Carry out all work for which a sign permit has been issued to the standards required by all applicable Bylaws of the District;
 - .2 Construct and erect the sign and carry out the work authorized by the permit under conditions which protect public safety;
 - .3 Maintain all signs in a safe condition free from any defects; and
 - .4 Keep all signs, including all metal parts and supports, clean and neatly painted.
- .2 Every owner of a lot upon which there is a sign shall:
- .1 Permit the Bylaw Enforcement Officer to enter upon the lot and premises at any reasonable time for the purpose of administering or enforcing this Bylaw;
 - .2 Obtain, by giving the Bylaw Enforcement Officer at least twenty-four (24) hours notice, an inspection of works at each of the following stages:
 - .1 After the form for footing of free standing signs are complete, but prior to placing of any concrete therein; and
 - .2 Immediately upon the completion of the work authorized by the permit.
 - .3 The owner shall make all required correction as ordered by the Bylaw Enforcement Officer and shall notify the Bylaw Enforcement Officer when such corrections have been made.

13. Conflict with Other District Bylaws or the Official Community Plan

If any portion of this Bylaw is found to be in conflict with any other Bylaws of the District, the provision which establishes the most restrictive provision shall prevail and nothing in this Bylaw shall be taken to relieve any person from complying with the provisions of any other Bylaw of the District.

14. General Regulations

- .1 No sign shall, by reason of its location, colour or intensity, create a hazard to the safe, efficient movement of vehicular or pedestrian traffic.
- .2 Every sign greater than 45.0kgs (99.2lbs) in weight shall have its weight and the maker's name permanently attached to or painted on the exterior of the sign.
- .3 Every sign shall be of such a design that all framework and other rigid devices required for lateral support of the sign shall be contained within the sign's body or within the structure or building to which it is attached, in such a manner as not to be visible to any person.
- .4 Every sign shall be located in such a way that it maintains horizontal and vertical clearance of all overhead electrical conductors in accordance with the B.C. Electrical Code and the Workers' Compensation Board regulations.
- .5 No sign or any part thereof, nor any guy wire, stay, or attachment thereto shall be erected, placed, or maintained on a rock, fence or tree or in such a manner as to interfere with any electric light, power, or telephone, or supports thereof.
- .6 No sign shall be erected, placed, or maintained so as to obstruct any fire escape, required exit, window or door opening used as a means of egress and ingress.

- .7 No sign shall be attached in any form, shape or manner which will interfere with any opening required for ventilation or natural light.
- .8 No sign shall be placed on, within or above public property, except as permitted by the Bylaw Enforcement Officer or as permitted in this Bylaw.
- .9 No sign, except free standing signs, and except as permitted under Section 14.6.1.6 of this Bylaw shall extend or project above the parapet of a building or, where there is no parapet, above the roof line of the building to which it is attached.
- .10 Where any sign contravenes this Bylaw, or where any sign is in such a condition as to be a danger to persons or property:
 - .1 The Bylaw Enforcement Officer may
 - .1 Give Notice specifying the Danger or the Violation; and
 - .2 Order the cessation thereof and require either the removal of the sign or the carrying out of remedial work in the time and in the manner that the notice shall specify.
 - .2 In the event of failure to comply with the Notice the Bylaw Enforcement Officer may:
 - .1 Remove the sign; or
 - .2 Cause such remedial work to be done, and the owner shall forthwith reimburse the District for the costs of the same.
 - .3 In the event that the owner does not reimburse the District by December 31st of that year:
 - .1 The costs that were incurred by the District shall form a charge or lien on the lot on which the sign is situated; and
 - .2 The charge may be collected in the same manner and with the like remedies as ordinary taxes on land and improvements under the *Community Charter* of British Columbia.
- .11 Whenever any sign is installed or erected either wholly or partly over public property:
 - .1 The Owner shall obtain and at all times maintain in full force and effect a policy of Liability Insurance covering:
 - .1 Bodily Injury; and
 - .2 Property Damage for claims arising out of the ownership of such a sign in the amount of \$2,000,000 for the duration of the encroachment over public property.
 - .1 The District shall be named a co-insured on any such insurance policy as set out in Schedule "A" of this Bylaw.
 - .2 The Owner shall provide the District with a certified copy of such insurance policy and any renewal thereof.
 - .3 In the event that the owner does not obtain or maintain such insurance, or allows such insurance to lapse without renewal thereof, the sign permit issued shall be deemed to be revoked and the owner shall remove, take down or demolish the sign.

- .4 In the event that the owner does not remove, take down, or demolish the sign, the District shall be entitled to do so in a like manner and in the same condition as set out in section 13.10 .
- .12 Every owner of a sign which is installed or erected over public property shall enter into an encroachment agreement with the District to indemnify against and save the District harmless from any and all liability resulting from injury to persons or damage to property which results from the presence, collapse or failure of the sign.
