

Employment Opportunity District of Peachland Temporary - Water Distribution Operator II

The District of Peachland is a vibrant and growing community of approximately 6,200 residents, located on the shores of the Okanagan Lake in the scenic Okanagan Valley in British Columbia.

We're currently looking for a motivated and energetic **Water Distribution Operator II (2 Positions Available)** to join our team! These are full-time, temporary positions lasting up to twelve months, with the potential to become permanent based on performance and operational needs. It's a great opportunity to make a meaningful impact and grow your career in a vital field.

The Water Distribution Operator II is responsible for the operation, maintenance, and repair of the District's water distribution system and related infrastructure. This position also supports the water treatment plant operations as needed and plays a key role in ensuring the safe, efficient, and compliant delivery of water to our community.

THE SUCCESSFUL CANDIDATE WILL POSSESS THE FOLLOWING COMPETENCIES:

- Ability to operate, maintain, and repair water distribution systems including pumps, valves, water mains, hydrants, and water meters.
- Knowledge of and ability to enforce municipal water regulations and bylaws.
- Experience performing inspections and testing as part of a Cross Connection Control Program.
- Skilled in responding to public concerns regarding water quality, pressure, leaks, and related issues with professionalism and efficiency.
- Competency in using SCADA systems and basic computer software for monitoring and reporting.
- Ability to work independently, exercise sound judgment, and participate in after-hours standby rotations.

KEY QUALIFICATIONS:

- High School Graduation
- Valid BC Class 5 Driver's License
- EOCB Water Distribution Certification (commensurate to position)
- Chlorine Handling Certification (BCWWA or equivalent)
- Cross Connection Control Tester Certification
- Confined Space Entry Certification
- Snowmobile Safety Training Certification
- Post-secondary education in water quality and/or water engineering is considered an asset

This is a CUPE Local 608 position with an hourly rate of \$38.91 per hour plus 15% in lieu of benefits.

The closing date for this position is June 17, 2025, by 4:00p.m. Applications for the available position must be received prior to the indicated closing date and time.

Please submit your resume with cover letter to:
