

I am looking forward to serving the people of Peachland as a new voice on council.

After retiring from Telus in Calgary , I returned to Peachland and am presently a director with the Peachland Ambassador Society. Working with the youth in Peachland is very rewarding and volunteering at community events in this capacity has been a wonderful experience. I love meeting the people and am a good listener.

One thing that I would like to do is lobby for safety on Drought Hill with cement dividers down the middle and solar power reflectors.
